important for the following rea-

This new act is not effective until Jan. 1, 1957. Widows, orphans and depend-

ent parents now on the rolls will continue to receive present payments until that date even if they choose to go under the new law. Such persons will have until July 1, 1957 to make up their minds to change to the new law and have their increased pay ments, if any date back to Jan.

If any person now being paid death benefits does not go under the New Law There will be no change in the amount of their checks. If such a person desires to change to the New Law,he or she may do so at any time, even after July 1, 1957

One thing must be understood -once a person choose to accept death benefits under Public Law 881, he or she CANNOT ever make another change

(This is the MOST DRASTIC CHANGE in the Laws affecting VETERANS since the Economy

# Official Proclamation

WHEREAS, the Coast Electric Power Association, our local REA Association, has through diligent effort made electricity available in the rural areas of Hancock, Harrison and Pearl River Counties, and WHEREAS, the bringing of electricity to those people

enables them to enjoy benefits and comforts not otherwise WHEREAS, the social, moral and physical well-being of

our rural families has been improved by this modern progress, and WHEREAS, our fine town, the hub of the area served by, and the location of the principal office of, Coast Electric

Power Association, has benefited immeasurably by the bringing of electric service to this area, and WHEREAS, the members of the Coast Electric Power Association are meeting together in Bay St. Louis, Miss., on

December 8th, 1956. THEREFORE, I, John A. Scifide, for the reasons enumerated above, and by virtue of the authority vested in me as Mayor of the City of Bay St. Louis, Miss., do hereby proclaim to one and all that the 8th day of December, 1956 shall be known and observed as "REA DAY."

Our new Gulf Coast steam-electric generating plant is well under way now and construction is nearing its peak. It is being constructed to supply the ever increasing demands of our customers, and to provide ample electrical power for the new industries, businesses and families which we have every confidence will locate in this area in the future. The construction of this plant, the building of new lines and other facilities in every community we serve, is evidence of our faith in the future of our southeast Mississippi service area.

The first unit of this new plant, when completed in mid-1957, will have a generating capacity of 100,000 horsepower. And through our modern network of high voltage transmission lines, interconnected with our two other steam-electric plants, the electrical energy generated will be available to every community we serve.

It will provide power for new industry power for the expansion of existing industry — power for new stores and homes — and power for the increasing growth of our communities. Truly, this is another step in Mississippi's march toward a beighter future

#### COMMUNITY BARGAIN DAYS

March 3, 1879

A majority of the business establishments of Bay Louis, acting through the Retail Merchants Commillee of the Hancock County Chamber of Commerce, are sponsoring "Community Bargain Days," an eightdry pre Christmas offering of bargains.

These bargain days begin on Friday, November Mir and continue through Saturday, December 8th, which has been officially proclaimed as "REA DAY" by Mayor John Scafide of Bay St. Louis. On Saturday December 8th, members of the Coast Electric Power Association will hold their annual meeting at Bay High School and will bring an expected crowd of some 2500 or more visitors to our city.

In connection with these bargain days, the participating merchants are offering their customers tickets on a \$525.00 Color TV SET,, which will be given to the holder of the lucky coupon on Saturday night, at & o'clock at Bay High School Gym.

Since this is the beginning of the Christmas holiday season, shoppers are urged to patronize their local merchants and do their shopping at HOME, where every dollar you spend does the most good, since by keeping it in our own town it is in turn returned to us in various forms of endeavor.

Read the advertisements in this and next week's paper and we are sure you will find many bargains right here AT HOME, instead of going out of town.
